With reference to your D.O.letter cited above I wish to write that the Survey Nos. proposed to be included in the schedule were actually included in the Surveyed and Demarcated Block but not mentioned in the schedule at the time of submission of the original draft section 4 notification for publication by the Govt., which is an omission. Now after field verification, the Forest Settlement Officer, South Kanara,Mangalore has brought to my notice that these Sy.Nos. were also actually included in the Block but omitted in the Sy.Nos.mentioned in the original section 4 notification published earlier. In order to avoid legal complication at the later stage, these left out S.Nos. are to be published in the Gazette in the form of addendum.
